PACE OF PLAY EXPECTATIONS

"Time Par" on this scorecard indicates the maximum time your group should take to complete play at any point during the round. Playing faster will ensure an enjoyable experience for all. Time Par varies by course and time of day. The Starter will inform you of Time Par expectations accordingly. For example: The Time Par expectation for early groups can be significantly faster than specified. This helps ensure later groups can play in Time Par or less.

Tips for Maintaining Proper Pace

Encourage your group to play "ready golf": Know when it is your turn to play and be ready to hit your shot as soon as it is safe to do so. Always maintain your position relative to the group in front. Under normal circumstances, you should never be more than half a hole behind that group. A Play Coordinator will assist you if you are experiencing difficulty meeting Time Par expectations.

WARNING: LIGHTNING POSES A SERIOUS RISK!

When you suspect that there may be lightning or hear one long horn blast indicating the possibility of lightning, please immediately seek shelter in the clubhouse, other on-course buildings or automobiles. When none of the above is available, look for dense woods and low-lying areas. Avoid open areas, water, metal, wire fences, power lines and other overhead wires, isolated trees, elevated ground, maintenance machinery and golf carts. Raising umbrellas increases the risk when lightning is near. Three short horn blasts indicate it is safe to return to the course. While the golf shop will endeavor to warn you of lightning, ClubLink is not held responsible for removing Members and Guests from the course.
