ALCOHOL POLICY

Members and guests are strictly prohibited from bringing their own alcohol onto a ClubLink property in accordance with all applicable liquor licensing regulations.

Comfort stations located at holes 3, 5, 13, 15 and at the turn.

Heron Bay is proud of the national recognition for blending a quality golf experience with nature-friendly environment, and continues to build on this commitment. Please be mindful of any wildlife you encounter while visiting Heron Bay.

PACE OF PLAY EXPECTATIONS

"Time Par" on this scorecard indicates the maximum time your group should take to complete play at any point during the round. Playing faster will ensure an enjoyable experience for all. Time Par varies by course and time of day. The Starter will inform you of Time Par expectations accordingly. For example: The Time Par expectation for early groups can be significantly faster than specified. This helps ensure later groups can play in Time Par or less.

Tips for Maintaining Proper Pace

Encourage your group to play "ready golf": Know when it is your turn to play and be ready to hit your shot as soon as it is safe to do so. Always maintain your position relative to the group in front. Under normal circumstances, you should never be more than half a hole behind that group. A Play Coordinator will assist you if you are experiencing difficulty meeting Time Par expectations.

Pace of play should be kept at or below four hours and ten minutes as rated by U.S.G.A. formula.

U.S.G.A. RULES GOVERN ALL PLAY EXCEPT WHERE MODIFIED BY LOCAL RULES.

COURSE GUIDELINES

- Measurements are in yards.
- GPS system is measured to the flag stick.
- Sprinkler yardages are measured to the front, center and back of the greens.
- Carts are restricted to paths on all par threes (holes 5, 8, 11 and 15).

Please fill all divots with green sand mixture, rake tracks in bunkers, keep carts on path wherever possible near tees and greens, repair ball marks on greens, and wear proper golf attire. Thanks... and good golfing!

WARNING:

LIGHTNING POSES A SERIOUS RISK!

When you suspect that there may be lightning or hear one long horn blast indicating the possibility of lightning, please immediately seek shelter in the clubhouse, other on-course buildings or automobiles. When none of the above is available, look for dense woods and low-lying areas. Avoid open areas, water, metal, wire fences, power lines and other overhead wires, isolated trees, elevated ground, maintenance machinery and golf carts. Raising umbrellas increases the risk when lightning is near. Three short horn blasts indicate it is safe to return to the course. While the golf shop will endeavor to warn you of lightning, ClubLink is not held responsible for removing Members and Guests from the course.
