

2016 Junior Golf Camp

New for 2016

- Camp location changed to world class Wyndance Golf Club
- Golf everyday on the Down Under short course

JTgolf at Academies of ClubLink Emerald Hill, DiamondBack and Wyndance Golf Club is pleased to announce the return of our Junior Golf Camp. The golf curriculum will be concentrating on 'golf basics' and will be presented in a relaxed atmosphere. Our golf camp will provide your child the chance to develop character, learn valuable life skills, make new friends and discover new interests. Drills, small competitions and games will make it a week to remember!

The JTgolf Junior Program will have four series to the week taught in a fun and relaxed atmosphere.

1. **Clubhouse educational series**- teaching juniors clubhouse procedures and etiquette
2. **On-course educational series** - helping juniors develop an understanding of 'on the golf course' procedures and etiquette
3. **Golf Swing educational series** - time to learn how to hit the golf ball!
4. **Playing** - as many holes as we can get in before the camp ends!
